STEELERS STORIES

PRESIDENTS PRESENTATION

Well hasn't it been a busy start to the 2018 Netball Season!!

I would like to take this moment to formally welcome all of our new members to STEELERS Netball Club. It is always great to see new faces around the place and hearing the amazing stories about why you chose STEELERS.

I would also like to welcome back our members returning for yet another season in our netball family.

In 2018, we have increased our teams to 21 – a club record which is made up with athletes from Net Set Go Year two to open members of ages they would rather not discuss!!!! The introduction of the Junior STEELERS is great for the club as it is providing plenty of development opportunities for our players, umpires and coaches.

While it has been a busy few months for our members getting netball ready and focused it has been a very busy few months for our hard-working executive committee. The start of the season is always a busy time for them with the organising of equipment, appointment of coaches, managers, captains and umpires, managing our first fundraising drive, registering players and collecting money, ensuring all new members are fitted for their uniform, registering teams with WDNA after our grading and running our first club event. If you see our AMAZING committee around the place, please give them a shout out.

There are a lot of exciting things happening around the club so please take a moment to read through this newsletter. In addition to this information source please also ensure you have added yourself to our club Facebook GROUP – STEELERS Netball club – current members, our Facebook page STEELERS Netball Club, our Instagram page STEELERS Netball Club and continue to check out our web site.

For now, be sure to make the most of our pre-season fitness, deals and events and get yourself mentally and physically ready for 28.04.2018

VICE PRESIDENT VISIONS

A club cannot survive without sponsors.
STEELERS NC is lucky enough to have the support for our three GOLD sponsors in T & H Steel, RBT Fitness and Loan WA Commercial and our silver sponsor RISE Business solutions.

Do you know of a small business or are you a regular at a business/venue who would love to support us? Our sponsorship contract will be emailed to all members with this team announcement newsletter so please check your attachments and pass on the sponsorship contract to anyone who you think would be keen to get on board

If you have any questions regarding sponsorship please let us know.

All sponsorship contracts are due back to the club by 25/04/2018 with a PDF version of the business logo for advertising purposes

SECRETARY SECRETS

As a club STELERS NC have nominated Sharee Hitchcock and Nicole Montgomery as the club contacts. As part of the policies and procedures of WDNA only these two club contacts can contact the club at any time. If you do have any enquires please forward them to the club and we can do our best to answer you or find the answer for you.

This doesn't cover the match office on a Saturday – we will explain this process to you all closer to the start of the season.

UNIFORMS UNCOVERED

By now everyone should have ordered their playing uniform.

A reminder that our compulsory playing uniform consists of:

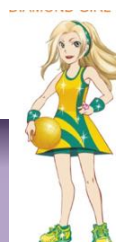

A-line STEELERS dress

the 2017/2018 and 2019 Supporter top with RBT Fitness, T & H Steel and LOAN WA logos on the back – all members must ensure they have this shirt to wear on game day. With our Juniors starting this year STEELERS is offering Junior members the supporter top for FREE if the playing order is paid in full at time of ordering.

STEELERS boy leg shorts

For all males in the club they are asked to purchase the STEELERS Singlet and supporter shirt. Uniforms are due to arrive in two orders being 17.04 and 20.04. We will be emailing members to come and collect their uniforms. Uniforms will ONLY be distributed if paid in full. Fees also need to be paid in full or on an agreed payment plan to receive your uniform. Our supporter gear is now on sale. While we carry some stock of socks and bags everything else must be ordered. We only have two more supporter order dates being 18.04.2018 and 25.04.2018 at the WDNA courts, under the veranda area 6:30pm – 8:00pm, so make sure you come along to put your order in.

EQUIPMENT EXHAUSTION

**All managers have now collected their equipment bags for the 2018 season –
THANK YOU!!**

Please note that as a manager you have agreed to take responsibility of the bag for the duration of the season. If an item is lost the team will be charged replacement costs so please look after the contents.

If you find an item faulty please let us know ASAP so we can replace it for you – the earlier we know we can sometimes take them back to the supplier.

UMPIRE'S UNVEILED

Umpires are invaluable. Without them we do not have a game to play. They are also the only position in a small not for profit netball club that gets paid for their services.

As a club, we are committed to ensuring our umpires are the most up to date with all the development and umpiring news – so umpires please check your emails regularly. With the season, just about on us all umpires are STRONGLY encouraged to attend the officials meeting on Wednesday 18.04.2018 to sign their payment contract and receive their umpiring fixtures. More details have been emailed to you.

YEARBOOK YAKING

SOCIAL SURROUNDINGS

Did you know that each year STEELERS produces a yearbook reflecting the year that was?

Each book holds the game results, team images, individual shots as well as photos from all of our events.

To ensure we get a true reflection of the season we ask that our members forward any STEELERS netball images to our email so we can add them to the final production.

Kate Lonaman – 0405 772 970

**Do you have Facebook?
Have you liked our PAGE?
Have you sent in a request to join our STEELERS current members group?
Have you been added to your teams Facebook page (18 and over teams)?
It is suggested to get onto all of these social media sites as we use social media as a main source of communication.**

STEELERS netball club is also on Instagram – be sure to follow us to see our weekly photo of fame.

**Have you checked out our web site -

COACHES CORNER

With 21 teams this season I was dreading the task of finding coaches and managers for all the teams – however with our awesome members willing to give back to the club this task was not as bad as I thought!!

Thank you to all of our volunteers who have filled these positions – the club would not be as strong without you.

With the season, just about on us all coaches and managers are **STRONGLY encouraged to attend the officials meeting on Wednesday 18.04.2018 More details have been emailed to you.**

JUMPING JUNIORS

ON THE SIDELINES

Our club policy is that during training, parents are not permitted to sit on the side of the courts. This is to ensure the full focus is on the coach and training plan.

Parents are welcome to watch from the verandah area.

MEMBER SAFETY

As we highlighted in our recent emails, due to security incidents in the car park over the last few years, players must be picked up inside the gates by parents after training. Our committee also keeps an eye on players but please also be aware of your safety.

TRAINING

Please ensure players come to training as they would a game. Nails cut, jewelry off including earrings and enough water for their session. Please ensure their clothes are layered so they can remove clothing when they get warm.
